## PERSONAL PROJECTS

Refoodify Website (09/2021 - Present)

- I led the creation of **Refoodify**, a cool project that tackles food waste and helps people save money. It's like a smart system connecting businesses with extra food to people who want to buy it for less. The goal is to make sure good food doesn't go to waste, and at the same time, give folks a chance to get affordable meals. It's a win-win solution!

TextCorrecter: Effortless Text Correction (11/2023 - Present)

- TextCorrecter** is your go-to solution for seamless text correction. Whether you need to transform lowercase to uppercase, fix punctuation, our user-friendly website ensures effortless editing. Streamline your writing process and enhance the professionalism of your text with just a few clicks. Say goodbye to errors and hello to polished, error-free content with TextCorrecter.
